THE LODGE
AT ASHFORD CASTLE

Our team would like to welcome you to the Quay Bar & Brassiere. This drinks menu has been designed to showcase what products and artisan drinks are available to you our guest here at The Lodge at Ashford Castle.

The Lodge was originally built in 1865 for the Estate Manager of Ashford Castle, and you are relaxing in a room that is steeped in history.

In addition to providing a home for the Estate Manager it also hosted a variety of guests who included fishermen, walkers and friends of the family.

It is now part of the award winning Red Carnation Hotels Collection and offers mellow country house hospitality, artfully combined with chic contemporary style, to discerning travellers from all over the world.

We try to keep our menu seasonal as possible so some items are subject to change.
